Rides for Jobs General Information

Purpose:

Rides for Jobs is a free temporary transportation service for qualifying area residents:

- **Transportation to Employment is provided for 60 up to days (individual days of service). This includes any combination of services i.e., bus passes, mileage reimbursements, taxi, dial-a-ride etc.**
- **Transportation to Employment-Related Activities has no time limits; allowable activities include job search, workshops, meeting with case managers, etc.**
- **Transportation to daycare is available for work or educationally related purposes. Rider must accompany children & provide car seats as required by law**

Eligibility Requirements & Target Population:

Riders must meet the program's income eligibility requirements as described in the Eligibility & Referral Form (Form A) and be referred by a Case manager. Participants must be either **working**, in **job search** or **short term training**.

- **Participants' family income must be below the established limit of 75% of the State Median Income (SMI) level for their family size.**

Referrals from organizations other than American Job Center partners require the following document(s) faxed along with the Eligibility & Referral Form (Form A) at the time of referral:

- **If working - proof of employment (ie. letter from the employer or most recent pay stub)**
- **If job searching - (Printout of the Client's profile page showing workshops attended through the American Job Center(s). *This can be obtained by the client through the front desk of any American Job Center.*) To qualify for services the client must have completed a workshop within the last 3 months.**

It is important to stress to applicants that this program is only intended for those who are enrolled in short term training or job search, or those who are employed and would likely lose their employment without the assistance of this program. For example, it would not be appropriate for someone to request mileage reimbursement if they could otherwise afford to pay for it on their own. As a Case Manager and Transit Referral Agent, it will be your job to ensure that these funds are used appropriately and distributed to those who are most in need of them. If you suspect a rider is abusing this service, please notify us immediately and we will take steps to address the situation.

General Case Manager Responsibilities:

- Case Managers are responsible for all form completion and submission.
- Case Managers are responsible for maintaining the Eligibility/Referral form in their client files.
- Case Managers are responsible for exploring all transportation options with each client to determine which transportation option best suits their situation prior to making a referral. Final trip approval will be determined by ECTC.
- Case Managers also must help clients develop a plan to transport themselves to work once this temporary transportation is no longer available. Remember, this is only a *temporary transportation program*, so you must consider what your clients will do when their 60 days of rides to work expire. If the ride to work is too costly for the participant to continue paying after their 60 days of rides expire, ECTC will not approve the request. In general, it is best to encourage clients to maintain employment along an established transportation route, or close to home to help overcome these obstacles. In some instances, it may be necessary to counsel the participant to relocate to be near permanent transportation routes.

Transportation Options:

Riders may utilize the following transportation options as available and appropriate.

- Local Bus Service
- Van Service
- Mileage Reimbursement
- Car Based Solutions
- Alternative Transportation Options (Taxi/Livery)

Some options are not available in all towns! You may contact ECTC at 860-848-5910 for information about potential service providers specific to your client's needs. For additional options outside of this program or for people with disabilities, please contact ECTC's Mobility Manager at 860-848-5914.

Extension Requests:

The Caseworker may make an extension request on behalf of the rider for circumstances preventing the client from finding alternative transportation within the 60 day time-frame. Extensions will be made at the discretion of an Eastern Workforce Investment Board representative and approved/denied by ECTC. Please utilize the Extension Request Form (Form D) to make a request.

Trip Request Procedures

Caseworker Process:

- Fill out an Eligibility & Referral Form (Form A). *Referrals from organizations other than the American Job Center require the following faxed or emailed along with the Eligibility & Referral Form (Form A) at the time of referral:*
 - If working - proof of employment (ie. letter from the employer or most recent pay stub)
 - If job searching/training – (Printout of the Client’s profile page showing workshops attended through the American Job Center(s). This can be obtained through the front desk of any American Job Center.) To qualify for services the client must have completed a workshop within the last 3 months.
- Fill out a Transportation Request Form (Form B) completely
- For new requests, submit both completed forms to the transportation broker. **For previous clients, submit only Form B.**
- Fax requests to ECTC at (860)848-5917 or convert to a pdf file and email to requests@ectcinc.org in the subject line write: **RFJ Transportation Request.**
- *A copy of all paperwork must also be maintained in the Case Manager’s file.*

ECTC Process:

- ECTC will determine the best means of transportation.
- If it is determined that a taxi or van service should be used ECTC will assign a provider, complete a request form and fax it to the appropriate company and the Case Manager.
- If it is determined that a bus should be used ECTC will call the Case Manager to discuss where to pick up the bus tickets. (clients may not pick up the bus tickets).
- If multiple forms of transportation are to be used ECTC will complete the necessary request forms and fax it to the appropriate provider and the Case Manager. The form, when faxed to the Case Manager, will also inform them about bus tickets.
- All requests must be received by the ECTC office no later than 2pm. Any requests received after this time will be processed the next day.
- Clients using taxi or van transportation must call the assigned company to confirm trips (*see Transit Contact Page for scheduling and notification timeframes*). If the company does not receive a call, the vendor will not come. To cancel a ride, the client must call their transportation provider at least two hours before the scheduled pick-up. If the client does not call, or calls less than 2 hours before the pick-up, it is considered a “No-Show”.
- No Show Policy – Van or Taxi trips require a 2 hour advance cancellation notice or the rider will be considered a “No Show”. 3 No Shows can result in suspension or termination of ridership privileges. For the service to be re-instated, the case manager must fax a letter to ECTC at (860)848-5917 re-authorizing the service. If a rider has 3 more no-shows, his or her transit service will be cancelled permanently.
- During inclement weather clients should contact their transportation provider to ensure that they will be operating.

Emergencies

Clients using the guaranteed ride home from work or employment related activities will contact their authorized service provider for that trip stating they are requesting a different pickup time due to an emergency. This service will be monitored for abuse.

Trip Reimbursement Procedures

Mileage Reimbursement:

Client must complete Mileage Reimbursement Form (Form C). Mileage reimbursement is issued at the IRS rate. For JFES clients in employment or employment related activities, partial mileage will be issued to offset the mileage already allocated through JFES Special Benefits.

Maximum daily cap is \$25 (less any reimbursement through JFES Special Benefits). Mileage will be calculated by ECTC based on the shortest distance according to Google Maps. Form must include date, start address, destination address, trip purpose for each trip (i.e. work, childcare, etc.) and must be signed and dated by client only **AFTER** the trips have been completed. Caseworker should review and sign form to be sure it is completed correctly.

Fax requests to ECTC at (860)848-5917 or convert to a **pdf file** and email to: requests@ectcinc.org; in the subject line write **RFJ Mileage Request** along with a Client Eligibility & Referral Form (Form A) if client has not been previously served, for processing.

Taxi Reimbursement:

- These trips should only be submitted when client failed to inform the caseworker of his/her schedule in a timely manner and there was no other alternative for the trip (i.e. fixed route bus).
- Fax copy of receipt(s) from taxi provider to ECTC at (860)848-5917 or convert to a **pdf file** and email to: requests@ectcinc.org; in the subject line write **RFJ Reimbursement Request** along with Client Eligibility & Referral Form (Form A) if client has not been previously served, requesting reimbursement and purpose of trips. Receipts must include client's name, date of trip, start address, destination address and cost.

ECTC's Payment Process:

Any requests received after 12pm on Monday will be cut the following week. Checks will be made payable to the client and mailed directly to them unless otherwise requested. Caseworkers should verify correct mailing address of client.

For any additional questions regarding these procedures please contact 860-848-5910.

- Garage, when final bill is received
- Insurance agent or carrier (please specify which)
- Driving School
- DMV
- Tax collector
- Client, if proof is received that it has been paid by the client.

Checks for repairs will be mailed directly to the vendor unless requested otherwise. Insurance, tax collector and DMV checks are mailed to the case manager unless requested otherwise. Any insurance checks going directly to companies must have policy numbers.

For any additional questions regarding these procedures please contact ECTC at (860) 848-5910.

Bike Voucher Program

Rides for Jobs provides a bike voucher program that will help employed low-income individuals that are experiencing employment transportation barriers. The program can assist qualified individuals that reside within 3 miles of a public bus route or within 3 miles of their employer. This can provide individuals with an alternative to costly car ownership or taxi expenses and will dramatically reduce their transportation costs.

In addition to reducing cost the program will promote a healthier lifestyle and reduce environmental impacts. This program will provide the eligible individuals that are good candidates for biking with a bike and accessories.

- 1.) Fax Bike Voucher request form to [ECTC](#) at (860)848-5917 or convert into one pdf file and email to requests@ectcinc.org in the subject line write: **Bike Voucher Request**. Please include with required documentation.

2.) The request will be reviewed and will be faxed back to you with an approval or denial. If a Bike Voucher request is approved, the referring case manager will be contacted to go over the procedures to acquire the bike & accessories.

Definition of Family Income

“Family income” means the total annualized cash receipts from all sources (with exclusions listed as follows) received by all members during the six-month period prior to application. Family size will be the total number of family members who are a part of the individual’s family at the time that an individual makes applies. The family income will include the total income during the income determination period for all individuals determined to be part of the family.

Family Income Shall Include:

- money wages and salaries before any deductions
- net receipts from nonfarm self-employment (receipts from a person’s own unincorporated business, professional enterprise, or partnership after deductions for business expense);
- net receipts from farm self-employment (receipts from a farm which one operates as owner, renter, or sharecropper after deductions for farm operating expenses);
- railroad retirement, strike benefits from union funds, workers’ compensation, and training stipends; alimony;
- military family allotments or other regular support from an absent family member or someone not living in the household;
- pensions, whether private, government employee (including military retirement pay);
- regular insurance or annuity payments;
- college or university grants, fellowships, and assistantships (see exclusion for needs-based scholarship assistance);
- dividends, interests, net rental income, net royalties, periodic receipts from estates or trusts; and
- net gambling or lottery winnings.

Family Income Shall Exclude:

- unemployment compensation;
- child support payments, including foster care child payments;
- welfare payments (AFDC/TANF, SSI, RCA, GA);
- regular payments from social security (i.e., old-age survivors insurance);
- social security disability income;
- financial assistance under Title IV of the Higher Education Act, i.e., Pell Grants, Federal Supplemental Educational Opportunity Grants and Federal Work Study. In addition, Stafford and Perkins loans like any other kind of loan is debt and not income.
- needs-based scholarship assistance;
- income earned while the veteran was on active military duty and certain other veterans’ benefits, i.e., compensation for service-connected disability, compensation for service-connected death, vocational rehabilitation, and educational assistance; capital gains; any assets drawn down as withdrawals from a bank, the sale of property, a house or a car;
- tax refunds, gifts, loans, lump sum inheritances, one time insurance payments or other compensation for injury;
- noncash benefits such as employer paid fringe benefits, food or housing received in lieu of wages, Medicare, Medicaid, food stamps, school meals, and housing assistance.

Low Income Determination Definition
